No. 285.—SANITARY BOARD, KUALA LUMPUR.—Minutes of an ordinary meeting held at the Sanitary Board Offices, Kuala Lumpur, on Wednesday, the 31st December, 1913, at 9.30 a.m.

PRESENT: Mr. C. F. J. Green (*Chairman*), the Protector of Chinese (Mr. D. Beatty), Mr. H. P. Clodd, Mr. A. K. E. Hampshire, Mr. K. T. Parimanam Pillay, Towkay Choo Kia Peng, Raja Mahmud bin Sultan Mohamed, and Inche Tamby Abdullah.

ABSENT: The Government Architect (Mr. A. B. Hubback), the State Engineer (Mr. E. R. Stokoe), the Collector of Land Revenue (Mr. H. E. Swan), the Senior Medical Officer (Dr. A. J. McClosky), the Chief Police Officer (Mr. H. M. Hatchell), the Superintendent of Revenue Surveys (Mr. H. R. Shaw), and Mr. D. Freeman.

1. The minutes of the previous meeting were taken as read, copies having been circulated among the members.

2. Lighting of New Approach Road to the Courts: The Chairman submitted the report of the Electric Light Engineer in regard to the lighting of the new approach road to the Courts. The Board approved.

3. Plan of Alterations to House on Lot 26, Section 21: The Chairman submitted a plan of additions and alterations to house on this lot. The Board decided to ask the Chairman to interview the owners of the adjoining houses as to the probability of rebuilding in the near future, and to report at the next meeting.

4. Sentul Market: An application to lease the Sentul Market for five years was considered. The Board disapproved and decided to ask the Executive Engineer, Town, to estimate the cost of its removal to a more suitable site near the Batu Road Police Station.

5. Amendment of Rule 18 made under "The Traction Engines and Motor Cars Enactment, No. 20 of 1912": The Chairman submitted the draft of a proposed new rule under this Enactment. The Board decided to recommend that it be adopted.

6. Health Report for November, 1913: The Health Officer reported:

- (1) The estimated population for the second half-year of 1913 is 56,892. The total number of deaths which occurred within the Sanitary Board limits was 300, giving a crude death-rate of 63.27 per mille. The number of deaths among the resident population was 191, giving a true death-rate of 40.28 per mille, as compared with 40.51 per mille for the corresponding month of 1912.
- (2) There were 32 deaths of infants under the age of one year; thus giving an infantile death-rate of 316.83 per 1,000 births.
- (3) There were 101 births notified, giving an uncorrected birth-rate of 21.3 per mille.
- (4) The diseases causing the greatest number of deaths were:

	Resident.	Non-resident.
Dysentery and diarrhoea ... ..	30	27
Fevers ... ..	21	15
Beri-beri ... ..	13	10
Pneumonia ... ..	12	8
Tuberculosis (pulmonary) ... ..	12	7

(5) Five cases of typhoid, one case of enteric and one case of measles were reported.

(6) The total rainfall recorded at the General Hospital for the month was 12.79 inches. The greatest fall for the 24 hours ending 6 p.m. was 2.72 inches on the 8th November, 1913. There was no recorded fall for nine days. The mean temperature for the month was 83.2 degrees. The highest temperature for the month was 91 degrees on the 22nd November, 1913, and the lowest was 70 degrees on the 4th November, 1913.

(7) Six samples of milk were forwarded during the month to the Government Chemist for analysis, one sample of which was found to be adulterated.

7. Town Vistas: The Chairman said he thought that some definite line of action should be taken to preserve and enhance the beauty of the town. The Board agreed with the principle and decided to recommend:

- (i) That each block of houses or each section have a facade designed, and that as houses are rebuilt they should adopt the facade.
- (ii) That blocks recently built and unlikely to be re-erected for some time have their facades studied, and a suitable scheme, not involving considerable expenditure of money, be evolved.
- (iii) That a colour scheme for each block be decided upon, and the houses made to conform to it when re-painted.
- (iv) That the bridges over the rivers be ferro-concreted and their appearance improved.
- (v) That steps be taken to round off vistas from river bridges and along wide streets and across open spaces.
- (vi) That the plot of land round the mosque be converted into ornamental gardens, and that consideration be given to the improvement of the river bank.

The Board considered that in a matter of this kind the Government should provide the necessary funds to carry out the work, and suggested that this resolution be referred to the Town Planning Committee.

8. Waterworks Department: A letter from the State Engineer was read. The Board considered that a special Engineer or at least a European Inspector be appointed.

9. Issue of Duplicate Certificates under Traction Engines and Motor Cars Enactment: The Chairman reported that the Legal Adviser is of opinion that the fee for duplicate certificates is \$10, unless and until a lower fee is prescribed for drivers' certificates issued under special circumstances. The Board decided to recommend that the rule be amended, a small fee only to be charged.

10. Application for the use of Land near Sultan Street for Cinematograph Show: The Board approved, provided no objection was raised by the Chief Police Officer.

11. Licence to Store Wood on Lot 2, Section 69: An application for permission to store wood on lot 2, section 69, was read. The Board disapproved.

12. Sanitary Board By-law No. 36: The Chairman reported the receipt of a letter from the Secretary to Resident informing the Board that the proposed further amendment of the Sanitary Board by-law No. 36 cannot be considered.

13. Mortuary: The Chairman reported that the Health Officer considers that the mortuary is too far away from town to ensure proper working, and that it should be removed to a more central position where it would be more convenient for all concerned. He suggested a site near the Sanitary Board. The Board agreed and decided to ask the Executive Engineer, Town, to report the estimated cost of removal.

14. Alienation of Land comprised in M.L. 2,363, Portion No. 1,568, Mukim of Kuala Lumpur: The Board approved of the alienation of the land for rearing fish, provided no stream is dammed and that the water level of the surrounding district is not raised.

15. Applications for Water Supplies: The Board approved of water supplies to the following houses: No. 139, High Street; 26, Pudu Street; 21, High Street; District Hospital Club; house on lots 28 and 29, section 44; and house on lot 24, section 57.

C. F. J. GREEN,  
Chairman.
